OVERVIEW

The Department of Services for Children, Youth & Their Families (DSCYF) was established in 1983 by the General Assembly of the State of Delaware. Its primary responsibility is to provide and manage a range of services for children who have experienced abandonment, abuse, adjudication, mental illness, neglect, or substance abuse. Its services include prevention, early intervention, assessment, treatment, permanency, and after care. The mission of DSCYF is to assist children, youth and families in making positive changes through services that support child and public safety, behavioral health and individual, family and community well-being. DSCYF wants every child to be safe, live in a stable home, learn and grow in self-esteem, and embrace a sense of hope about the future. DSCYF leads a System of Care approach (both community based and residential) that is child centered and assures effective, timely and appropriate support for Delaware's children.

DSCYF is made of four divisions: Youth Rehabilitative Services, Family Services, Prevention and Behavioral Health Services and Management Support Services. The mission of DSCYF's Division of Youth Rehabilitative Services (DYRS) is to support public safety and positive change of children, families, and communities through guidance, education and empowerment. DYRS provides services to youth in the State of Delaware who have been adjudicated delinquent and ordered by the court system to receive rehabilitative services.

In DYRS, there are five secure care facilities that provide secure detention for youth and 24-hour custodial care and treatment for incarcerated, adjudicated youth. Youth generally range between ages 10-18, but are primarily concentrated between ages 14-17 years. Secure care also provides appropriate education, treatment, counseling, recreation, vocational training, medical care, and family focused case management for youth in secure residential facilities.

In addition, DYRS includes Community Services. The Community Services unit provides probation and aftercare services collaborating with numerous contracted community providers offering residential and nonresidential programs and services. Community Services operates to ensure that the risks to the public are minimized, youth are served in the least restrictive environment appropriate for their needs, and the families of the youth are strengthened through Community Services intervention.

REQUEST FOR PROPOSALS

The Department of Services for Children, Youth and Their Families' Division of Youth Rehabilitative Services is issuing this Request for Proposals with the intent to select one provider for this contract award. DSCYF is seeking to purchase web access of a risk and needs assessment for youth remanded to DYRS for pre and post adjudicatory supervision. The selected provider must provide the software access to meet DSCYF's scope of work (see details below under Essential Program Components). The successful bidder must have web-based access to software hosted on their server, and the provider shall be required to provide training and technical support to DSCYF staff. The provider must possess the capability to meet DTI (Delaware Department of Technology and Information) firewall requirements (see <http://dti.delaware.gov/pdfs/pp/DataClassificationPolicy.pdf> for standards and practices).

TERM OF THE CONTRACT

The Department is placing this service out for bid for a period of approximately 2.5 years. For the identified provider awarded a contract under this RFP, the contract will begin "upon signature" by DSCYF administration and end June 30, 2013. The Department reserves the right to extend the agreement for additional 1 or 2 fiscal years for a total up to 5 years, but will be under no obligation to do so under the current RFP. The Department reserves the right to reject any and all proposals based solely on cost. Contract renewal shall be contingent upon satisfactory performance and availability of funds.

ANTICIPATED NUMBER OF USERS TO BE SERVED

DSCYF does not guarantee a minimum or average number of users. However, historical data indicates that during fiscal year 2010, utilization data was as follows: 105 DYRS users servicing roughly 4,000 clients.

ESSENTIAL PROGRAM COMPONENTS

DSCYF requires all stated web-based software access and hosting, training of personnel on software access, technical support and compliance with reporting and confidentiality specifications.

DSCYF requires that the selected Assessment tool be a Risk and Needs Assessment for juveniles entering the juvenile justice system for use with youth on pre-trial status to post adjudication. The assessment tool must include the following components:

- Web-based, 24/7 access for input and data retrieval
- Shall be based upon the Washington State Juvenile Court Assessment pre-screen and full assessment or an equivalent. While a pre-screening is not required to submit a proposal it is considered highly desirable as it is felt the pre-screening tool will reduce the need for the full assessment.
- The assessment shall assess youth across life domains, identify strengths and needs, predict risk of re-offending and guide decisions regarding appropriate services and supports to promote positive youth outcomes.
- The assessment tool must be able to highlight domains of highest risk and need (e.g. a narrative supported by visuals), whereby assessment results identify priorities, goals and objectives to be addressed.
- The tool must be able to incorporate protective factors, strengths, be gender specific or have gender specific scoring capability and be culturally sensitive.
- The tool must be able to generate individual client reports based upon questionnaire responses, so that assessment results have the ability to connect to case planning. Within the individual client report there must be text-based information (narrative explanation) related to assessment results. It must be able to compare assessment results over time to track progress and changes in youth's risk and needs.
- The tool must be flexible and able to be customized to meet jurisdiction needs (including adjusting language based upon statutes and practices).
- The tool must allow for an unlimited number of assessments based upon a set number of users and allow for re-assessment at intervals to be determined by DYRS or as needed, based upon an event or change for a given youth/client.
- The tool must be flexible to be able to generate population and system-wide reports for statistical analysis and quality assurance purposes.

SOFTWARE/TOOL REQUIREMENTS

- DSCYF considers all client and /or family identifying information as confidential. The provider must state in their proposal how their system meets the: administrative safeguards, technical safeguards, physical safeguards, security incident procedures, data backup plan, disaster recovery, continuity of operations planning as well as cryptographic measures required to secure confidential data at rest and in transmission as required by Delaware's Department of Technology and Information (DTI). These requirements can be located at: <http://dti.delaware.gov/pdfs/pp/DataClassificationPolicy.pdf>
- The bidder's submission of the web-based software/risk and needs assessment tool shall be accompanied by a validation study report (documents the efficacy of the tool).
- The bidder is required to submit detailed assurance statements on the storage of historical data with secure back-up protocols for recovery and confidentiality protection as a safeguard.
- DSCYF shall retain ownership of client data including data that may move from hosted solution to DSCYF servers (movement of the data presently or in the future will be at the discretion of DSCYF).
- DSCYF reserves the right to enter into purchase negotiations for the software to host on DSCYF servers.
- The selected provider shall be required to provide to DSCYF the most recent generation of software for the identified assessment tool ongoing throughout the contract period.
- All service upgrades or changes/modifications shall be approved/agreed upon in writing by the DSCYF designee via the Division of Management Support Services (DMSS) Contract Administrator.

TRAINING REQUIREMENTS

- The provider shall be required to train DSCYF personnel in web access, on the use of assessment tool software and effective Motivational Interviewing (MI) for completing an assessment interview. The provider may provide training feedback on level of mastery of the MI in the form of critiques related to taped MI sessions. The provider shall be required to train personnel on the interpretation of assessment results for effective case planning.
- The provider shall be required to provide Train-the-Trainer services.

GENERAL REQUIREMENTS

- DSCYF desires on-site and off-site implementation consulting.
- DSCYF requests a 5 year financial history of the bidding agency to be submitted along with customer references with their proposal.

OUTCOME PERFORMANCE MEASURES

Bidders must agree to work with DSCYF staff and DMSS Contract Administrator to establish outcome performance measures that may be appropriate for this contract to align with DSCYF goals.

METHOD OF COMPENSATION

Bidders must take into account the following assumptions:

- Proposals shall indicate a **unit cost basis per DSCYF user or set of DSCYF users for software access**. The unit cost and/or any other fees shall include all software use, cost for training, technical support, upgrades/modifications, maintenance of software and data hosting. A 5 year history on costs in other jurisdictions for like services is requested, along with a 5 year projected costs. The provider shall provide details related to what is included in each quoted cost and/or fee for services.

The successful bidder must accept full payment by conventional check and/or other electronic means and/or procurement (credit) card at the State's option, without imposing any additional fees, costs or conditions.

 - f. Documentation related to substantiating the provision of services to individual children.
6. Confidentiality. Establish appropriate restrictions and safeguards against access by unauthorized personnel to all data and records. Confidentiality of all data, records, and information obtained by the CONTRACTOR shall be governed by Federal and State statutes and regulations, and DEPARTMENT policy.
7. Cooperation with Third Parties. Cooperate fully with any other party, contractor, consultant, or agency identified by the DEPARTMENT in writing as necessary to the performance of this Contract.
8. Independent Contractor Status. Recognize that it is operating as an independent contractor and that it solely is liable for any and all losses, penalties, damages, expenses, attorney's fees, judgments, and/or settlements incurred by reason of injury to or death of any and all persons, or damage to any and all property, of any nature, arising out of the CONTRACTOR's negligent performance under this Contract, and particularly without limiting the foregoing, caused by, or resulting from, or arising out of any act or omission on the part of the CONTRACTOR in its negligent performance under this Contract. The CONTRACTOR agrees to save, hold harmless and defend the DEPARTMENT from any liability that may arise as a result of the CONTRACTOR's negligent performance under this Contract.
9. Insurance. Recognize that it can either elect to be self-insured or to carry professional liability insurance to deal with the above-described liability; provided, however, that proof of sufficient insurance or proof of sufficient assets for self-insurance may be required by the DEPARTMENT, upon request at any time, as a condition of this Contract.
10. Grievances. Establish a system through which recipients of services under this Contract may present grievances about said services or the operation of the service program. Communications of a contractual nature shall be accomplished via written correspondence between designated officials of both PARTIES. Each PARTY shall designate, in writing, its authorized official representative to the other PARTY prior to the effective date of the Contract. Each PARTY shall notify the other, in writing, of any change of their official representative.

ARTICLE II: PAYMENT

- A. Contract Subject to Availability of Funds. This Contract is entered into subject to the availability of funds for the services covered by the Contract. In the event funding to the DEPARTMENT is not available or continued at an aggregate level sufficient to allow for purchase of the indicated quantity of agreed upon services, the obligations of each PARTY under this Contract shall thereupon be terminated. Any termination of this Contract resulting therefrom shall be without prejudice to any and all obligations and liabilities of either PARTY already accrued prior to such termination.
- B. Reimbursement Amount. The DEPARTMENT agrees to pay the CONTRACTOR as described in Attachment B.
- C. Requirement of Purchase Order. This Contract is subject to the CONTRACTOR's receipt of a Purchase Order, approved by the Department of Finance. The State of Delaware shall not be liable for expenditures made or services delivered prior to the CONTRACTOR's receipt of the Purchase Order.
- D. Withholding of Payments to the Contractor. The DEPARTMENT may throughout the contract period withhold payment for failure to provide goods or perform services as specified under this contract. The DEPARTMENT has a right to recovery and a right to withhold payment in the event of the CONTRACTOR's failure to deliver services or complete necessary records or deliverables. In the event of CONTRACTOR failure in the regular course of business and normal periodic billing to timely and adequately provide record documentation of services provided under this Contract, the DEPARTMENT may withhold the final amount of a billing or the specified portion of billing relating to such services until such adequate record documentation is received by the DEPARTMENT, provided that such documentation is received within a reasonable time following normal periodic billing and record documentation in the regular course of business for the services provided. In no event however shall the Department be liable for services provided for which a) the CONTRACTOR has not provided timely and adequate record documentation during the regular course of business and periodic billing, and b) the DEPARTMENT has thereafter reasonably requested or demanded adequate record documentation or billing for any services provided for a period of time at issue, and c) the CONTRACTOR has thereafter unreasonably delayed in providing billing or record documentation following such a request or demand for record documentation or billing.

ARTICLE III: ANTI-DISCRIMINATION

- A. Equal Employment Opportunity Practices. The CONTRACTOR agrees to comply with all the terms, provisions, and requirements of Title VII of the Civil Rights Act of 1964, Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in U.S. Department of Labor regulations and any other applicable Federal, state, local, or other equal employment opportunity act, law, statute, regulation and policy, along with all amendments and revisions of these laws, in the performance of this Contract.
- B. Non-Discrimination Provisions and Requirements. The CONTRACTOR agrees to comply with all the terms, requirements, and provisions of Titles VI and VII of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, and any other applicable Federal, State, local, or other anti-discriminatory act, law, statute, regulation, or policy, along with all amendments and revisions of these laws, in the performance of this Contract, and the CONTRACTOR agrees not to discriminate against any employee or applicant for employment because of race, creed or religion, age, sex, color, national or ethnic origin, disability, or upon any other discriminatory basis or criteria.

ARTICLE IV: TERMINATION

- A. Condition of Termination. This Contract may be terminated by: (1) The DEPARTMENT for any unsatisfactory performance of this Contract documented by the DEPARTMENT, including, but not limited to, failure of the CONTRACTOR to deliver satisfactory products or services, as specified, in a timely fashion, or (2) The DEPARTMENT or the CONTRACTOR for violation of any term or condition of this Contract upon thirty (30) days written notice to the other PARTY, or (3) The DEPARTMENT or the CONTRACTOR as a result of loss or reduction of funding for the stated services as described in Attachment A (Description of Services), effective immediately as provided by Article II.A of this Contract.
- B. Rights Upon Termination. In the event this Contract is terminated for any reason, the DEPARTMENT shall, in the case of cost reimbursable contracts, retain without cost ownership of all case records maintained by the CONTRACTOR in the execution of its duties hereunder. Upon written request from the DEPARTMENT, said CONTRACTOR shall provide copies of all case records within fifteen (15) days of receipt of the termination notice. In the event the CONTRACTOR fails to provide such records in a timely manner, the CONTRACTOR shall reimburse the DEPARTMENT for any legal or administrative costs associated with obtaining such records. Any service expenditure, specified under this Contract, incurred prior to the date of termination shall be authorized and paid for in accordance with the terms of the Contract even though payment occurs subsequent to the termination date.

ARTICLE V: ADMINISTRATIVE PROCEDURES

- A. Amendment, Modification and Waiver.
1. Procedure for Amendment. This Contract may be amended by written agreement duly executed by authorized officials of both PARTIES. No alteration, variation, modification or waiver of the terms and provisions of this Contract shall be valid unless made in writing and duly signed by the PARTIES. Every amendment shall specify the date on which its term and provision shall be effective.
 2. Nullification. In the event of amendments to current Federal or State of Delaware laws that nullify any term or provision of this Contract, the remainder of the Contract will remain unaffected.
 3. Waiver of Default. Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver or breach of any provision of this Contract shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Contract unless stated to be such in writing, signed by an authorized representative of the DEPARTMENT and attached to the original Contract.
- B. Notice Between the Parties. Any notice required or permitted under this Contract shall be effective upon receipt and may be hand delivered with receipt requested and granted or by registered or certified mail with return receipt requested. Either PARTY may change its address for notices and official formal correspondence upon five (5) days' written notice to the other.
- C. Coordination with Federal Funding. The CONTRACTOR certifies that any Federal funds to be used under this Contract do not replace or supplant State of Delaware or local funds for already-existing services. The CONTRACTOR warrants that any costs incurred pursuant to this Contract will not be allocable to or included as a cost of any other Federally financed program in the current, a prior, or a subsequent period. The CONTRACTOR further certifies that the services to be provided under this Contract are not already available without cost to persons eligible for social services under the Public Assistance Titles of the Social Security Act. In the event the DEPARTMENT will utilize Federal funds as all or part of the compensation agreed to hereunder, the CONTRACTOR shall execute the US Department of Health and Human Services Certification Regarding Lobbying required by section 1352, title 31 U.S. Code.
- D. Subcontracts. The CONTRACTOR shall not enter into any subcontract for any portion of the services covered by this Contract, except with the prior written approval of the DEPARTMENT, which shall not be unreasonably withheld. The requirements of this paragraph do not extend to the purchase of articles, supplies, equipment, and other day-to-day operational expenses in support of staff providing the services covered by this Contract. No provision of this paragraph and no such approval by the DEPARTMENT of any subcontract shall be deemed in any

event or in any manner to provide for the incurrence of any obligation by the DEPARTMENT in addition to the total agreed upon cost under this Contract. For the purpose of this Agreement, licensed independent professionals including, but not limited to, physicians, psychologists, social workers and counselors shall not be considered "subcontractors" as that term is used in this paragraph.

- E. Non-Assignability. The CONTRACTOR shall not assign the contract or any portion thereof without prior written approval of the DEPARTMENT and subject to such conditions and provisions as the DEPARTMENT may deem necessary. No such approval by the DEPARTMENT of any assignment shall be deemed to provide for the incurrence of any obligations of the DEPARTMENT in addition to the total agreed upon price of the Contract.
- F. Interpretation.
1. Third Party Beneficiary Exclusion. This Contract is executed solely for the mutual benefit of the PARTIES. It is the express intention of the PARTIES that no provision of this Contract should be interpreted to convey any rights or benefits to any third party.
 2. Choice of Law. This Contract shall be interpreted and any disputes resolved according to the laws of the State of Delaware. The CONTRACTOR agrees to be bound by the laws of the State of Delaware and to bring any legal proceedings arising hereunder in a court of the State of Delaware. For the purpose of Federal jurisdiction, in any action in which the State of Delaware or the DEPARTMENT is a party, venue shall be in the United States District Court for the State of Delaware.
 3. Headings. The article, section and paragraph headings used herein are for reference and convenience only and shall not enter into the interpretation hereof.
- G. Qualifications to Conduct Business. (Not applicable for Contracts with other Delaware State Agencies or Delaware Municipalities.)
1. Qualification to Provide Service. The CONTRACTOR warrants that it is qualified to do business in Delaware or the state in which services under this Contract shall be provided, and is not prohibited by its articles of incorporation, bylaws, or the law under which it is incorporated from performing the services required under this Contract.
 2. Documentation of Business Status. The CONTRACTOR shall submit to the Contract Manager copies of all licenses, accreditations, certifications, sanctions, and any other documents that may reasonably be required as specified by the DEPARTMENT. If the CONTRACTOR conducts business in Delaware, the CONTRACTOR must possess a valid Delaware Business License, obtainable from the State of Delaware Division of Revenue. The CONTRACTOR shall submit a copy of the license at the time of signature of the Contract; provided, however, that if the CONTRACTOR is a non-profit organization, the CONTRACTOR shall instead submit, at the time of signature of the Contract, written approval from the U.S. Internal Revenue Service of this non-profit status.
 3. Change in Business Status. The CONTRACTOR shall promptly notify the DEPARTMENT of any change in its ownership, business address, corporate status, and any other occurrence or anticipated occurrence that could materially impair the qualifications or ability of the CONTRACTOR to conduct business under this Contract.
 4. Suspension/Exclusion from Medicaid/Medicare. If the CONTRACTOR is suspended or excluded from participation in the Medicaid Assistance Program of the State of Delaware or another state or from the Medicare Program, or charged with sanctions or violation of such programs, the CONTRACTOR shall promptly notify the DEPARTMENT in writing of such charges, sanctions, violations, suspension or exclusion. CONTRACTOR agrees such suspension, exclusion, violations, sanctions, or charges may, at the DEPARTMENT's discretion, be deemed a material breach of this Contract and good cause for immediate termination of this Contract, and the DEPARTMENT shall not be liable for any services provided after the date of such termination.
- H. Records and Audits.
1. Maintenance. The CONTRACTOR shall maintain books, records, documents, and other evidence pertaining to this Contract to the extent and in such detail as shall adequately document the provision of reimbursed services for purposes of programmatic or financial audit. The CONTRACTOR agrees to maintain specific program records and statistics as may be reasonably required by the DEPARTMENT. The CONTRACTOR agrees to preserve and, upon request, make available to the DEPARTMENT such records for a period of five (5) years from the date services were rendered by the CONTRACTOR. Records involving matters in litigation shall be retained for five years or one (1) year following the termination of such litigation (whichever is later).

2. Availability for Audits and Program Review. The CONTRACTOR agrees to make such records available for inspection, audit, or reproduction to any official State of Delaware representative in the performance of his/her duties under the Contract. The CONTRACTOR agrees that an on-site program review, including, but not limited to, review of service records and review of service policy and procedural issuances may be conducted at any reasonable time, with or without notice, by the DEPARTMENT when it is concerned with or about the services performed hereunder. Failure by the CONTRACTOR to accord the DEPARTMENT reasonable and timely access for on or off-site program review or to necessary records for programmatic or organizational audit may, at the DEPARTMENT'S discretion, be deemed a material breach of this Contract and good cause for immediate termination of this Contract, and the DEPARTMENT shall not be liable for any services provided after the date of such termination.
 3. Costs Owed. The cost of any Contract audit disallowances resulting from the examination of the CONTRACTOR's financial records will be borne by the CONTRACTOR. Reimbursement to the DEPARTMENT for disallowances shall be drawn from the CONTRACTOR's own resources and not charged to Contract costs or cost pools indirectly charging Contract costs.
 4. Contract Termination. The CONTRACTOR shall maintain program records for a period of five (5) years from the date services were rendered by the CONTRACTOR and shall make these records available on request by the DEPARTMENT, notwithstanding any termination of this Contract.
- I. Assignment of Causes of Action Relating to Antitrust Laws. In the event the CONTRACTOR is successful in an action under the antitrust laws of the United States and/or the State of Delaware against a vendor, supplier, subcontractor, or other party who produces particular goods or services to the CONTRACTOR that impact on the budget for this Contract, the CONTRACTOR agrees to reimburse the DEPARTMENT the pro rata portion of the damages awarded that are attributable to the goods and/or services used by the CONTRACTOR to fulfill the requirements of this Contract. In the event the CONTRACTOR refuses or neglects after reasonable notice by the DEPARTMENT to bring such antitrust action, the CONTRACTOR will be deemed to assign such action to the DEPARTMENT.
